*Notification No. G2. 240-9—43-44, dated
3rd—6th March 1944.*

The following extract from letter No. TCS-5—2, dated the 24th February 1944, received from the Under Secretary to the Government of India, Department of Industries and Civil Supplies, together with the Press Note referred to therein is republished for general information.

B. S. NANJUNDA GOWDA,
For Additional Textile Commissioner.

Extract of the letter No. TCS-5—2, dated the 24th February 1944, from the Under Secretary to the Government of India, Bombay, to the Director of Industries and Commerce and Additional Textile Commissioner for Mysore, Bangalore.

The Government of India on the recommendation of the Textile Control Board have exempted all power-looms having less than 25 looms as on 1st January 1944 and which are not spinning their own yarn, from only the price-marking provisions of the Control Order. All other power looms shall have to stamp with prices cloth manufactured in their factories, from the 1st May 1944. A copy of a Press Note issued in this connection is enclosed for your information.

M. Zinkin,
Under Secretary to the
Government of India.

Press Note.

Prices of cloth produced by manufacturers who do not spin any yarn have hitherto not been controlled. It has now been decided that in cases where such manufacturers possessed less than 25 power looms on the 1st January 1944 and still possess less than that figure, this exemption should continue, but that in those cases where they possessed 25 power looms or more the exemption should be discontinued from the 1st May 1944. All such owners will, therefore, have to stamp prices on their cloth from that date and they should, therefore submit full-width samples with full manufacturing particulars to their Panel Members by the 15th March at the latest, if this has not already been done. Any one who had 25 or more power looms on the 1st of January and does not submit full information by the 15th March will be liable to have his Texmark cancelled.
